**Standard Name:** Household and similar electrical appliances — Safety — Part 2-52: Particular requirements for oral hygiene appliances

**Standard Edition and Issue Date:** 1<sup>st</sup> Edition Issued February 1, 2014

**Superseded Standard Number:** CAN/CSA-E60335-2-52

**Superseded Standard Name:** Safety of household and similar electrical appliances – Part 2: Particular requirements for oral hygiene appliances

**Partially Superseded Standard Number:** CSA C22.2 No. 68

**Partially Superseded Standard Name:** Motor-operated appliances (household and commercial)

## Effective Date of New/Revised Requirements

**Effective Date (see Schedule below):** **January 1, 2018**

## Impact, Overview, Fees and Action Required

**Impact Statement:** A review of all Listing Reports is necessary to determine which products comply with new/revised requirements and which products will require re-evaluation. **NOTE:** Effective immediately, this revised standard will be exclusively used for evaluation of new products unless the Applicant requests in writing that current requirements be used along with their understanding that their listings will be withdrawn on Effective Date noted above, unless the product is found to comply with new/revised requirements.

### Overview of Changes:

New oral hygiene appliances, oral hygiene appliances currently certified to standard CAN/CSA-E60335-2-52, and dental irrigators currently certified to standard CSA C22.2 No. 68 are required to comply with the requirements of CAN/CSA-C22.2 No. 60335-2-52:14.

CAN/CSA-C22.2 No. 60335-2-52:14 replaces CAN/CSA-E60335-2-52 (adopted IEC 335-2-52:1994), published in 2001, and replaces the requirements for dental irrigators in CSA C22.2 No. 68

The standard CAN/CSA-C22.2 No. 60335-2-52:14 is intended to be used in conjunction with CAN/CSA-C22.2 No. 60335-1-11, Safety of Household and Similar Appliances — Part 1: General Requirements.

**If the applicable requirements noted in the table are not described in your report(s), these requirements will need to be confirmed as met and added to your report(s) such as markings, instructions, test results, etc. (as required).**

### Client Action Required:

**Information** – To assist our Engineer with review of your Listing Reports, please submit technical information in response to the new/revised paragraphs noted in the attached or explain why these new/revised requirements do not apply to your product (s).

## Standards Update Notice (SUN)

Issued: January 26, 2017

***Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.***
