

STANDARD INFORMATION

Standard: UL 1642

Standard ID: Lithium Batteries [UL 1642:2020 Ed.6]

Previous Standard ID: Lithium Batteries [UL 1642:2012 Ed.5+R:23Jun2015]

EFFECTIVE DATE OF NEW/REVISED REQUIREMENTS

Effective Date: **December 1, 2022**

IMPACT, OVERVIEW, AND ACTION REQUIRED

Impact Statement: Per our accreditation, Intertek is required to review reports against the standard revisions to confirm compliance. Once compliance is confirmed, the standard reference in the report is updated to show continued compliance to the technical requirements of the standard.

Overview of Changes: Revision of the coin cell warning marking to remove outdated phone number to the National Poison Control Center. Specific details of new/revise requirements are found in table below.

Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.

STANDARD INFORMATION

CLAUSE	VERDICT	COMMENT
		<i>Additions to existing requirements are <u>underlined</u> and deletions are shown lined-out below.</i>
22	Info	Primary Batteries
22.3		For user replaceable lithium primary coin cells (3.0 V) the packaging shall also include the following or equivalent: "WARNING – Never put batteries in mouth. Swallowing may lead to serious injury or death. If ingested, immediately seek medical attention and have the doctor phone the National Capital Poison Control Center at (202) 625-3333 ." This marking may be combined with the marking of 22.2, if the signal word "WARNING" is used instead of "CAUTION."
