

## STANDARD INFORMATION

This SUN establishes the partial superseding of UL 551 and introduces UL 60974-1 as the superseding standard.

**Superseded Standard Number:** UL 551

**Superseded Standard Name:** Transformer-Type Arc-Welding Machines

**Superseding Standard Number:** UL 60974-1

**Superseding Standard Name:** Arc Welding Equipment; Part 1: Welding Power Sources

## EFFECTIVE DATE OF NEW/REVISED REQUIREMENTS

**Effective Date:** **November 30, 2023**

## IMPACT, OVERVIEW, AND ACTION REQUIRED

**Impact Statement:** Per our accreditation, Intertek is required to review reports against the standard revisions to confirm compliance. Once compliance is confirmed, the standard reference in the report is updated to show continued compliance to the technical requirements of the standard. Reports not updated to this version by the effective date above will be withdrawn.

### Overview of Changes:

No further action is required for currently certified Limited Duty Arc Welding and Cutting machines certified to Standard UL 551 7th Edition.

Currently certified Industrial or Professional use Arc Welding equipment are required to comply with the UL Standard for Safety Arc Welding Equipment; Part 1: Welding Power Sources: ANSI/UL 60974-1 by the effective date.

***Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.***
