

STANDARD INFORMATION

If your product is certified to UL 962 and is a retail case good or merchandise display, then it needs to be recertified to UL 970.

Current Standard: Household and Commercial Furnishings [UL 962]

Replacement Standard: Retail Fixtures and Merchandise Displays [UL 970:2020 Ed.1+R:21Oct2022]

EFFECTIVE DATE OF NEW/REVISED REQUIREMENTS

Effective Date: **July 12, 2024**

IMPACT, OVERVIEW, AND ACTION REQUIRED

Impact Statement: UL 970, Retail Fixtures and Merchandise Displays, was recently released and covers non-refrigerated or non-heated commercial displays and other case goods used in retail establishment. All reports currently certified to UL 962 and fall under the scope of UL 970 need to be evaluated and certified to UL 970 prior to the effective date. Due to the changes between standards, a full evaluation to UL 970 is required.

Below is the scope of UL 970 to help determine the products that fall under this standard.

Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.
